

Eligibility Criteria: To be eligible for our rankings, firms must be registered investment advisors and provide financial planning and related services to individual clients. Some items on the questionnaire will require data that you have already prepared for your firm's Form ADV. Corporate RIA firms and investment advisor representatives (IARs) are not eligible for this survey. Firms with at least \$300 million in assets under management will be included in our national ranking that will be published in the July 2019 issue of Financial Advisor magazine. Firms with less than \$300 million in assets will be published in an online national ranking on FA's Web site, www.fa-mag.com.

Please Note: Limitations: Neither rankings and/or recognition by unaffiliated rating services, publications, media, or other organizations, nor the achievement of any designation or certification, should be construed by a client or prospective client as a guarantee that he/she will experience a certain level of results if Radnor is engaged, or continues to be engaged, to provide investment advisory services. Rankings published by magazines, and others, generally base their selections exclusively on information prepared and/or submitted by the recognized adviser. Rankings are generally limited to participating advisers (see link as to participation data/criteria, to the extent applicable). Unless expressly indicated to the contrary, Radnor did not pay a fee to be included on any such ranking. No ranking or recognition should be construed as a current or past endorsement of Radnor by any of its clients. **ANY QUESTIONS:** Radnor's Chief Compliance Officer remains available to address any questions regarding rankings and/or recognitions, including the criteria used for any reflected ranking.
